### *Tuition and Fees for 2025-2026*

04/14/2025

Dear IC Families,

The Immaculate Conception School Board, Finance Council, Father Michael and Father Matthew finalized tuition rates for the 2025-2026 school year. Each year we focus on managing increased costs while maintaining a student-to-teacher ratio that promotes a positive and successful learning environment. We will continue to work hard to provide you and your child/ren with the exceptional education you expect and deserve.

The increase in tuition this year is due in large part to an increase in salaries, additional staffing, and the rising cost of health benefits, textbooks/supplies and utilities.

The Security Fee will be used to offset some of the cost of security personnel who are present at school each day. The Technology Fee will be used to acquire, install and maintain up-to-date infrastructure, hardware, software, and to purchase licenses and STEM Lab materials. The Security, Technology, Graduation and Sacramental fees will be billed on the September Smart Tuition bill.
